### MONDAYS - Ancient Cultures

Feel that desert heat as we begin an exciting adventure exploring the daily life of our ancient Egyptian ancestors. We'll experience life in the time of the pharaohs and use the creative process to make Egyptian jewelry, build pyramids, make a magnificent pharaoh's mask to dress up with, paint on papyrus scrolls and create lots more artwork as we learn about hieroglyphics, the Rosetta Stone, Pyramids, King Tut, Cleopatra, mummification and more on this awesome trip back in time. The Architecture and building of the Pyramids will amaze you and the mathematical system of the ancients will confound you as we travel with our ancient ancestors.

**SEPTEMBER- Work Like an Egyptian**  
6, 13, 20, 27

**OCTOBER – Pyramid Architecture**  
4, 11, 18, 25

**NOVEMBER - Ancient Math**  
1, 8, 15, 22

### WEDNESDAYS – Renaissance Wonders

The Renaissance was time unlike any other in world history. Great masters of art, architecture, science and engineering practiced their trades with passion and changed the world as a result. We'll look at some of their amazing work, analyze and understand it, and practice our own art, design, engineering and inventing in the style of the Renaissance period.

**SEPTEMBER- Creative Genius of the Renaissance**  
7, 14, 21, 28

**OCTOBER – da Vinci Tech**  
5, 12, 19, 26

**NOVEMBER- Deconstructing Mona**  
2, 9, 16, 23

### THURSDAYS – American Experience

Learn the story of how our country came to be and what it was like long before. During this biographical study of Ben Franklin, and study of the age old traditions of Native Americans, we'll include weekly creative projects that relate to the many ways that they are still in our lives today. We'll make kites, publish a newspaper, design postage stamps & learn about our personal histories as we journal our personal family trees.

**SEPTEMBER – The Amazing Benjamin Franklin**  
8, 15, 22, 29

**OCTOBER – Native American Folklore**  
6, 13, 20, 27

**NOVEMBER – Family Tree**  
3, 10, 17, 24
